

Top Groomers use Groomers Helper® ... shouldn't you?

Terri DiMarino

"It has been a big plus to the industry and should be an integral piece of any salon's equipment collection."

Kathy Rose

"We have one on every station and I call it the groomers savior, because it has saved our hands, faces & clients"

Jay Scruggs

"As simple as it looks, it's just a great tool to be able to help control the dogs. It makes difficult dogs possible."

Melissa Verplank

"I love the way the Groomers Helper works! It stops problems before they start, keeping both the pet and the stylist safe!"

Sue Zecco

"I have them on all of my tables. I can't do without the Groomers Helper."
